

# How do I enter and/or edit grades in Gradebook?

Gradebook allows instructors to calculate and store grade information for items that are completed either online or offline. Manually added items may be entered and edited directly within the Gradebook interface.

*Note: Grades that are being sent to the Gradebook from other tools, such as Assignments or Tests & Quizzes, are managed within their respective tools. You do not need to enter or edit them via the Gradebook.*

## Go to Gradebook.

Select the **Gradebook** tool from the Tool Menu in your site.

## Search or filter your list of students. (Optional)
